

Weekly Recycling

Thank you for being the best recyclers
in Ramsey County!

Prevent Recycling Contamination

CONTAMINATION CAUSES PROBLEMS
AT THE RECYCLING FACILITY.

PLEASE RINSE AND REMOVE ALL EXCESS FOOD.

- **NO sharps or needles** (bring to a Ramsey County household hazardous waste collection)
- **NO containers that held chemicals**, such as motor oil and pesticides (place empty containers in trash)
- **NO fuel tanks or propane cylinders** (they can explode, bring to a Ramsey County household hazardous waste collection)
- **NO plastic bags** (find a drop-off site at PlasticFilmRecycling.org)
- **NO cords**, rope, hoses or string lights (they can get tangled in recycling sorting equipment, place in trash)
